Innovators

We leverage Virtual Reality technology and insight gleaned from primary research to create safe, confidential spaces that allow executives to process and learn in ways not offered in traditional executive coaching arrangements.

Joy Society's CEO, Dr. Elizabeth Joy, Organizational Psychologist and Licensed Therapist, leverages her unique combination of business and human behavior expertise to enhance executive and organizational performance using solutions designed to...

account for individual needs...

- Stress, Anxiety & Isolation Threatening Holistic Well-being
- Work-Life Conflict
- Pandemic Burnout

...while solving organizational problems.

- Turnover, retention (Great Resignation), & low productivity
- Psychological Contract Breaches
- Lack of cultural inclusivity & responsiveness
